

➤ **Training cum orientation Program on Constitution on 26th to 28th June, 2023:**

A training of partners from across the State of Jharkhand was held at Saptarishi Seva Bhawan, Tupudana to build a better understanding on the Constitutional aspects and generating awareness amongst the members working at ground level in their respective field areas. Around 38 participants marked their presence in the same. The training was organized by 'We the People Abhiyaan (WPA)' team.

Ms. Vineeta Singh from WPA introduced to the participants about the organization, WPA; its history of inception and working mechanism. Following this all participants were asked to introduce themselves and also add an adjective to their name's first letter followed by their name. Following, an open session took place where cross sharing of expectations was shared along with the agenda of these 3 days. She laid

stress on the fact that we as participants would try to develop a deep understanding about our Preamble and Constitution and its connectivity in our daily lives. Some light shall also be shed on discussing about our Fundamental Rights, Directive Principles etc. After these preliminary discussions the participants were asked to fill in a pre-assessment form which was done online.
